

# PNG 2022

Polymer Networks Group

Rome Italy

12-16 June 2022

Venue: "Sapienza" University

## TOPICS

- GELATORS AND ORGANOGELS
- GELS & BIOMEDICINE
- GELS FOR CULTURAL HERITAGE
- PHASE TRANSITIONS IN GELS
- RESPONSIVE GELS AND SENSORS
- SELF ASSEMBLED NETWORKS
- NEW NETWORKING METHODS
- NANO- MICRO- AND MACRO- GEL STRUCTURES
- MICROFLUIDICS AND GELS
- NETWORK DYNAMICS, MECHANICS AND SIMULATIONS

## ORGANIZING COMMITTEE

Gaio Paradossi (Chair)  
Fabio Domenici  
Ester Chiessi  
Yosra Toumia  
Luciano Galantini

## INTERNATIONAL ADVISORY BOARD

Christopher Bowman - University of Colorado Boulder, USA  
David Diaz Diaz - University of Regensburg, Germany  
Miroslava Dušková-Smrčková - Institute of Macromolecular Chemistry, Czech Republic  
Luciano Galantini - Sapienza University of Rome, Italy  
Henryk Galina - Rzeszow University of Technology, Poland  
Erik Geissler, University of Grenoble, France  
Ferenc Horkay, National Institute of Health, Bethesda, USA  
Eva Malmström Jonsson - KTH, Sweden  
Uday Maitra - Indian Institute of Science, India  
Pietro Matricardi - Sapienza University of Rome, Italy  
Gaio Paradossi - University of Rome Tor Vergata, Italy  
Costas Patrickios - University of Cyprus, Cyprus  
Olga Philippova - Moscow State University, Russia  
Francesco Sciortino - Sapienza University of Rome, Italy  
Mitsuhiro Shibayama - University of Tokyo, Japan  
Bjørn Tørring Stokke - Norwegian University of Science and Technology, Norway  
Heikki Tenhu - University of Helsinki, Finland  
Miklos Zrínyi - Semmelweis Medical University, Hungary  
Chi Wu - Chinese University, Hong Kong

## PROGRAM COMMITTEE

Gaio Paradossi - University of Rome Tor Vergata, Italy  
Luciano Galantini - Sapienza University of Rome, Italy  
Ferenc Horkay - National Institute of Health, Bethesda  
Costas Patrikios - University of Cyprus, Cyprus

## ORGANIZATION AND CHAIR

Università di Roma Tor Vergata

## VENUE

"Sapienza" University of Rome, close to the main Termini train station and to the stops of the main Rome Subway "Metro A".

## PLENARY SPEAKERS

Piero Baglioni - University of Florence, Italy  
Francesco Sciortino - Sapienza University of Rome, Italy  
Dror Seliktar - Technion, Israel  
David A Weitz - Harvard University, USA
