

Dear Professor,

On behalf of the International Partnership for Hydrogen and Fuel Cells in the Economy (IPHE) - Working Group „Education and Training“, it is our pleasure to announce the **5th IPHE H2igher Educational Rounds**, to be held in Rome, Italy, the 1st December 2014.

General objective of the *IPHE H2igher Educational Rounds* is to inform University Students about the developments and opportunities in H₂ and Fuel Cells (FCs) development in IPHE countries as well as about FC&H₂ education and occupational outlook in their own country.

The event is free, open to students, faculties' staff, industry, government, decision makers and IPHE members.

A preliminary program is enclosed in attachment. Registration is required within November 20th, 2014 by email to mariassunta.navarra@uniroma1.it and to angelo.moreno@enea.it. Only the first 100 registrations will be accepted.

The IPHE Working Group „Education and Training“ is also glad to acknowledge high level R&D works of students by two AWARDS for outstanding theses. Details on the Application and Selection processes are reported in the attached documents.

Please, circulate this message among your students, co-workers and colleagues. Any other information of interest about IPHE activities can be found at <http://www.iphe.net/>.

We look forward to welcoming you at the *5th IPHE H2igher Educational Rounds* in Rome.

Best regards.
